CUTTING DEPTH	21 mm (0.83 in)
BLADE SIZE	59.5 x 19 x 0.8 mm (3 g) 2.34 x 0.75 x 0.03 in (0.11 oz)

### Compatibility

Slice® metal squeeze knives are designed to work exclusively with Slice safety blades for optimal safety and function.

### longer-lasting Slice® safety blades

never rust

non-conductive

non-magnetic

chemically inert

safe up to 1600°C

no sharps box needed

no oil coating

### Why Slice®?

- Slice patented safety blades are safer than traditional blades
- Slice blades last up to 11.2x longer than steel blades
- fewer blade changes means less downtime and fewer injuries
- Slice blades never rust, do not conduct electricity, and are non-magnetic
- Slice blades are oil and lubricant free
- safer finger-friendly® edge cuts materials effectively
- blades are 100 percent recyclable

a portion of purchase price is donated to autism research.
